Plant Swap & Shop

1/20/24, 10am-3pm VFW, 972 Sheldon St. Suffield, CT
 Plant Lovers, get ready for the greenest event in town! What's a Plant Swap, you ask? It's an event where you bring your plants, propagations, cuttings - anything that has stopped bringing you joy and you can trade with other plant lovers in our community. There will also be many vendors selling their nature-inspired items!

Here's the scoop:

Bring a Plant, Take a Plant: Got a plant that's outgrowing its pot or just needs a change? Bring it to the swap, and pick out a new green companion to take home! Plants **MUST** be pest free in order to qualify to "sit at the table." Someone will be available to inspect if you need assistance.

Leafy Connections: Connect with fellow plant enthusiasts. Share stories, tips, and maybe even make a new best fern! **All Skill Levels Welcome:** Whether you're a seasoned plant parent or just dipping your fingers into the soil, everyone's invited. It's a foliage fiesta for all!

Hosted by The Plant Lounge: Your favorite local plant shop is bringing the community together. We're not just swapping plants; we're cultivating friendships. We're also supporting local sellers at the same time by introducing you to their amazing products.

Diversity in Greenery: From succulents to monsteras, we embrace the variety. Weird, wild, or classic—there's a plant for every taste.

Educational Exchange: Learn a thing or two from fellow plant enthusiasts. Horticultural therapy for the soul! Save the date, spread the plant love, prep your plants, cuttings, propagations, and join us for a Plant Swap like no other!

***Do you grow rare plant varieties? Contact Tracey and ask to be a vendor to sell: text (855) 984-1625 ***
