Practical Rifle Skills

Public · Event by Frank Scirpo

Blue Trail Range,
316 N Branford Rd,
Wallingford, CT 06492

Registration & Gear Required

Practical Rifle Skills

I have designed the 8 hour Practical Modern sporting Rifle Skills Course for students who want to increase their performance with a semi-automatic carbine, rifle, or CT legal "other" firearm. You can use your AR15, Ruger PC Carbine, AK74/47, Tavor, in any caliber, 9mm, 40S&W, 5.56 Nato, .223 Rem, 300 Blackout, .308 caliber to name a few.

Practical Rifle Skills is part of my Foundations Series. We will start the morning off with learning to zero our firearms. You will learn how to be more proficient with your modern sporting rifle. We will work on loading & unloading, emergency and tactical reloads, building solid stance/base, target acquisition, ready positions, positional shooting, malfunction clearance, sling use, optics and iron sights and more.

There will be numerous repetitions to practice what you are learning under the watchful eye of a Patriot Performance Shooting, llc coach. Your MSR does not need to be zeroed. We will cover how to zero your firearm.

Required Gear:

- MSR with a sling iron sights or optic.
- 400 rounds of ammunition.
- 4 magazines.
- Magazine pouch to hold at least one magazine.
- Eye protection
- Ear protection, electronic if recommended so you can clearly hear the instructor.
- Note taking material
- Water
- Clothing appropriate for the weather.

Optional Equipment:

- Chair
- Shooting mat. A blanket, yoga mat, sleeping pad will do.
- I recommend bringing lunch. There are off site options that are a 15 minute drive.

Please arrive 30 minutes prior to the start of the course.
