the Final Revelation: The Sun Project

Why is the Roswell story so enduring? Since 1978 there have been many versions of the Roswell story and many assessments both pro and con. However, over the years we have seen a growing number of credible witnesses who testify to the alien nature of the events in July 1947. And, there remain some very important questions that have never been answered or explained by the government or anyone else! What really happened in 1947 and how does it affect us today?

Free Event

However, a \$5.00 donation to benefit our monthly "Coffee With Vets" would be appreciated!

[Honor Flight Connecticut 2025](#)

Honor Flight CT recognizes American veterans for their sacrifices and achievements by flying them to Washington, DC to see THEIR memorials at no cost. Current priority is chronological by conflict (WWII, Korea and Vietnam) with special consideration given to terminally ill veterans from all wars.

Guardians fly with the veterans on every flight providing assistance and helping Veterans have a safe, memorable and rewarding experience. Veterans may request a family member (son, daughter, grandson, etc.) or friend to accompany them. The spouse of the veteran may NOT serve as the guardian. Guardians must be able-bodied between the ages of 18-70 and, ideally, one generation removed. If a family member/friend is not available, one will be provided. All guardians must submit a Guardian Application that is available on our web site or can be requested.

A guardian fee will be assessed and MUST be paid one (1) week before the flight.
