at the
SUBMARINE FORCE LIBRARY AND MUSEUM
1 CRYSTAL LAKE RD, GROTON, CT

A comprehensive microhistorical exploration of Henry Breault's life, celebrating his legacy as the first submariner to receive the Congressional Medal of Honor.

Celebrating 101 years since the first submariner received the Congressional Medal of Honor, dive into pre-World War II submarine history through the first comprehensive, analytical, investigation into the life and times of Henry Breault. From 1900-41, Breault's life is reconstructed as lived through his Official Military Personnel File, census records, newspaper clippings, and connecting previous research. Breault's childhood, his enlistments in the Royal Navy Canadian Volunteer Reserve and the United States Navy are carefully reconstructed. From there, the conditions aboard the submarines he served on, his relationship with friends and family, his relationship to the women in his life, and his concept of masculinity and material identity allow us to better understand his life in the context he likely understood them. This book provides a new template for microhistorical observations into subjects whose primary sources are official military documentation to help better understand enlisted submariners.

What we now know almost 80 years later.

RJ Teles, Ph.D.

Anomalous Science and UFO Investigator

Former Cyber Security Specialist for the US Government and Aeronautics Industry

Author of the book, The

the Final Revelation: The Sun Project

Why is the Roswell story so enduring? Since 1978 there have been many versions of the Roswell story and many assessments both pro and con. However, over the years we have seen a growing number of credible witnesses who testify to the alien nature of the events in July 1947. And, there remain some very important questions that have never been answered or explained by the government or anyone else! What really happened in 1947 and how does it affect us today?

[Honor Flight Connecticut 2025](#)

Honor Flight CT recognizes American veterans for their sacrifices and achievements by flying them to Washington, DC to see THEIR memorials at no cost. Current priority is chronological by conflict (WWII, Korea and Vietnam) with special consideration given to terminally ill veterans from all wars.

Guardians fly with the veterans on every flight providing assistance and helping Veterans have a safe, memorable and rewarding experience. Veterans may request a family member (son, daughter, grandson, etc.) or friend to accompany them. The spouse of the veteran may NOT serve as the guardian. Guardians must be able-bodied between the ages of 18-70 and, ideally, one generation removed. If a family member/friend is not available, one will be provided. All guardians must submit a Guardian Application that is available on our web site or can be requested. A guardian fee will be assessed and MUST be paid one (1) week before the flight.
