Why is the Roswell story so enduring? Since 1978 there have been many versions of the Roswell story and many assessments both pro and con. However, over the years we have seen a growing number of credible witnesses who testify to the alien nature of the events in July 1947. And, there remain some very important questions that have never been answered or explained by the government or anyone else! What really happened in 1947 and how does it affect us today?

Free Event

However, a \$5.00 donation to benefit our monthly "Coffee With Vets" would be appreciated!

Cash or check donation taken at door.

[Salute to Bristol WWII Service Women](#) Doors open at 6:30 p.m.

Join us Thursday, March 20, at 7 p.m. for a special program co-sponsored by the Memorial Military Museum and the Bristol Historical Society. This event honors Bristol's female veterans, highlighting their service from WWII to today. The program will spotlight local women who left home to serve in traditionally male roles. A video will introduce Michelena Masterbone, Bristol's last surviving WWII female veteran, who shared her experiences as a WAVE at Camp Detrick, Maryland, a site of top-secret wartime research. This is the first of six programs recognizing Bristol's 113 female WWII veterans. Free for BHS and MMM members; \$5 suggested donation for non-members. Refreshments provided.
