he Final Revelation: The Sun Project

Why is the Roswell story so enduring? Since 1978 there have been many versions of the Roswell story and many assessments both pro and con. However, over the years we have seen a growing number of credible witnesses who testify to the alien nature of the events in July 1947. And, there remain some very important questions that have never been answered or explained by the government or anyone else! What really happened in 1947 and how does it affect us today?

Free Event

However, a \$5.00 donation to benefit our monthly "Coffee With Vets" would be appreciated!

Cash or check donation taken at door.
