43rd ANNUAL NATHAN HALE DAY CEREMONY

### 43rd ANNUAL NATHAN HALE DAY CEREMONY Friday June 6, 2025 at 12:00 PM

Connecticut State Hero NATHAN HALE Captain, Knowlton's Connecticut Rangers, Continental Army. On October 1, 1985, by an act of the General Assembly and the efforts of the Nathan Hale Chapter of the Sons of the American Revolution, Nathan Hale officially became Connecticut's State Hero.Born in Coventry, on June 6, 1755, and educated at Yale University. Hale served as a school master until he was commissioned as a Captain in the Continental Army, in 1775. In September of 1776, at General George Washington's request for a volunteer, Nathan Hale crossed enemy lines to gather information as to the strength and plans of the British. Caught while returning, he was hanged as a spy on September 22, 1776, without benefit of trial. Captain Hale's dedication to duty and country is enshrined in the immortal words "I only regret that I have but one life to lose for my country." By every action of his short life, Hale exemplified the highest ideals of patriotism.

Saturday 7 June 2025 1:00PM Images of D-Day: Documenting the Greatest Amphibious Invasion in History

Date/Time: Saturday, June 7, 2025, 1:00 - 3:00 pm Location: 102 Pitkin Street. East Hartford, CT

CT World War II Museum, Research & Education Center

Our presenter, Tom Hogan, has spent years researching the efforts and experiences of the American servicemen who were behind the cameras during OPERATION OVERLORD including the personnel of the Field Photographic Unit from the Office of Strategic Services lead by the acclaimed Hollywood director John Ford. For many years, historians have wondered if combat photos and film footage of the landings were lost or intentionally kept from the public. Tom will explore the facts and myths of D-Day film coverage and will present previously overlooked photos and film.

Please email SOSIwo Jima@yahoo.com or call Gary at (860) 810-8736 to reserve your spot. Donation of \$5 for museum is greatly appreciated

Images of D-Day: Documenting the Greatest Amphibious Invasion in History

Saturday, June 7, 2025, 1:00 - 3:00 pm On June 6, 1944, the long-awaited liberation of Nazi-Occupied Europe began. Among the tens of thousands of Allied soldiers, sailors, and airmen who participated in the invasion of Normandy were a few dozen still and motion picture cameramen who documented the historic event. You have probably seen some of the images they shot in books, news reports or documentaries.
