Join us for Healing Hoofbeats of CT's Operation Warrior Horse Retreat—a transformative 24-hour, farm-based experience for Veterans.

Sep 13, 2025, 12:00 PM – Sep 14, 2025, 12:00 PM
41 Judge Ln, Bethlehem, CT 06751

[Operation Warrior Horse Fall Retreat](#)

Operation Warrior Horse Retreat provides Veterans with a 24-hour immersive experience designed to support emotional healing and personal growth. Through guided interaction with licensed mental health professionals and therapeutic animals, participants gain a deeper understanding of how trauma and triggers affect their nervous system and relationships. By engaging in mindful activities and connecting with others, Veterans begin to release shame and guilt, build emotional awareness, and develop tools to regulate stress. The retreat helps lay the foundation for ongoing therapy and equips participants with renewed confidence for managing the challenges of civilian life.

UNITING VETERANS TO BUILD
AWARENESS, BUILD COMRADERY AND
PREVENT SUICIDE

On September 20th 2025, we will unite with
300+ veterans in Glastonbury, Connecticut
to hike a 22k.

Why 22 kilometers? In the hearts and minds
of these military veterans, it is simply a
reminder that they lose 22 veteran and/or
active duty brothers and sisters from suicide
every day.

MCL Det. 40's mission is to unite veterans
and service members from all branches and
walks of life to enjoy the camaraderie they
had shared while serving. Together, they
integrate their passion with purpose to
combat suicide in the veteran community.
Each year's hike is designed to join these
forces to support the fight to end veteran
suicide and to support veterans and their
families as they transition back to civilian life.
We hope you'll give it a share to help spread
awareness about this important cause. God
bless America!

PLEASE NOTE: The Hike portion of this
event is open to Veterans and Active Duty
Service Members only.

[The Story of The Submarine Service](#)

Thursday, November 6, 2025
 6:30 PM - 8 PM

The story of the submarine service by one who was there. "Torpedo in the Water!" Edward A. Sierra vividly remembers hearing those terrifying words loudly come across the speakers while submerged aboard a nuclear-powered fast attack submarine in the Mediterranean Sea. Ed joined the United States Navy at age 17, having just graduated from High School in Medford, NY. Upon completion of an intense two-year Naval training program, Ed reported to the Electrical Division onboard the U.S.S. Billfish SSN-676. In this talk he reviews early submarine history and then recalls his journey from Boot Camp in San Diego, through Naval Schools across the country, to his adventure as a Navy Nuclear Propulsion Trained Electrical Operator (Navy Nuke!) serving on the U.S.S. Billfish stationed out of New London, CT.
