[Left • Right • Center At American Legion Post 113](#) First Wednesday Monthly 5:30PM

Left • Right • Center (LCR) is a fast-paced, luck-based dice game where players start with an equal number of chips and take turns rolling specially marked dice. Depending on what is rolled, players pass chips to the person on their left, right, place them in the center pot, or keep them. As the game progresses, players can quickly lose all their chips—but they're still in play as long as others have chips to pass. The game continues until one player holds the last remaining chips, winning the center pot.

[Montville's Annual Memorial Day Parade Celebration](#)

Montville friends, neighbors, and families — need your help spreading the word.

This Memorial Day, the VFW is proud to host the official town-sponsored family-friendly post-parade celebration as we come together to honor the meaning of Memorial Day and celebrate the 250th anniversary of America. After the parade, join us at the VFW for a community celebration featuring:

- ✓ Live music
- ✓ Bouncy house for the kids
- ✓ Free burgers and hot dogs
- ✓ Free ice cream
- ✓ Family-friendly fun
- ✓ Fireworks later that evening

A lot of hard work, planning, and expense has gone into making this a special day for Montville — a day meant to bring people together, support community spirit, and give families something memorable to enjoy. Please help us spread the word.

A like and a share are free, but they go a long way in helping support an event meant to unite a community.

So please repost this, tag friends and family, and help us make sure people know what's happening.

Post-Parade Party at the VFW

Sunday, May 17, 2026 — 2:00 PM

Let's make this a proud day for Montville, for our families, and for the people working hard behind the scenes to make it happen.

Colchester Memorial Day Parade & Ceremony 2026
 On Sunday May 24th, 2026 starting at 12:30 PM, Colchester will hold its annual Memorial Day Parade. The Parade is a community effort supported by local groups that are committed to make this event a success. We strive to show the pride we feel in our departed military veterans by asking local organizations and members of the community to step up and participate by making a float or marching in the annual parade. The parade committee is expecting to have several military units represented. They will include the Connecticut Army National Guard, 1109th TASM-G, U S Navy US Marine Reserve, and the US Air Force Reserve. Maybe we will have a military aircraft flyover Colchester also. Our American Legion, the Veterans of Foreign Wars and the Colchester Veterans Honor Guard will also participate. There is plenty of room for community organizations to help fill in our ranks.
[The electronic application to join this year's Memorial Day Parade is available using this link.](#) Hard copies will be available through the First Selectman's office if needed.
 The Parade Committee will award prizes in three categories:

The city's Memorial Day parade will step off at 10:30 a.m. Monday, May 25, 2026.

A West Haven veteran will serve as grand marshal and lead the procession of vets, dignitaries and bands along the 1 1/2-mile parade route, which follows Campbell Avenue from Captain Thomas Boulevard to Center Street.

The grand marshal is tapped by the West Haven Veterans Council, which helps the city organize the annual parade, for years of service to the military, fellow vets and the community, the latter of which is the cornerstone of the qualifications for grand marshal, council President Dave Ricci said.

This year's edition of southern Connecticut's oldest and largest Memorial Day parade has no rain date and will include three marching divisions and a military division, as well as special accommodations for disabled veterans.

Stay tuned for more details.

[Left • Right • Center At American Legion Post 113](#)

[Left • Right • Center At American Legion Post 113](#) First Wednesday Monthly 5:30PM

Left • Right • Center (LCR) is a fast-paced, luck-based dice game where players start with an equal number of chips and take turns rolling specially marked dice. Depending on what is rolled, players pass chips to the person on their left, right, place them in the center pot, or keep them. As the game progresses, players can quickly lose all their chips—but they're still in play as long as others have chips to pass. The game continues until one player holds the last remaining chips, winning the center pot.

[Left • Right • Center At American Legion Post 113](#)

[Left • Right • Center At American Legion Post 113](#) First Wednesday Monthly 5:30PM

Left • Right • Center (LCR) is a fast-paced, luck-based dice game where players start with an equal number of chips and take turns rolling specially marked dice. Depending on what is rolled, players pass chips to the person on their left, right, place them in the center pot, or keep them. As the game progresses, players can quickly lose all their chips—but they're still in play as long as others have chips to pass. The game continues until one player holds the last remaining chips, winning the center pot.
