[Left • Right • Center At American Legion Post 113](#)

[Left • Right • Center At American Legion Post 113](#) First Wednesday Monthly 5:30PM

Left • Right • Center (LCR) is a fast-paced, luck-based dice game where players start with an equal number of chips and take turns rolling specially marked dice. Depending on what is rolled, players pass chips to the person on their left, right, place them in the center pot, or keep them. As the game progresses, players can quickly lose all their chips—but they're still in play as long as others have chips to pass. The game continues until one player holds the last remaining chips, winning the center pot.

[Left • Right • Center At American Legion Post 113](#) First Wednesday Monthly 5:30PM

Left • Right • Center (LCR) is a fast-paced, luck-based dice game where players start with an equal number of chips and take turns rolling specially marked dice. Depending on what is rolled, players pass chips to the person on their left, right, place them in the center pot, or keep them. As the game progresses, players can quickly lose all their chips—but they're still in play as long as others have chips to pass. The game continues until one player holds the last remaining chips, winning the center pot.
