**TIME: 5:30 PM**

*The Original*

**FIRST GAME: WEDNESDAY, MARCH 4<sup>TH</sup>**

**[Left • Right • Center At American Legion Post 113](#) First Wednesday Monthly 5:30PM**

Left • Right • Center (LCR) is a fast-paced, luck-based dice game where players start with an equal number of chips and take turns rolling specially marked dice. Depending on what is rolled, players pass chips to the person on their left, right, place them in the center pot, or keep them. As the game progresses, players can quickly lose all their chips—but they're still in play as long as others have chips to pass. The game continues until one player holds the last remaining chips, winning the center pot.

Acoustic Instrument Building Program for veterans with PTSD, traumatic brain injuries, range of motion difficulties and parent/child family rebonding after deployment.

Our Veterans Base Camp Instrument Program centers on improving the self confidence and range of motion issues found in PTSD and traumatic brain injuries found in veterans of all services. Additionally, the program can be used to reconnect parent/child relationships after long periods of deployment.

The program is free to applicable veterans and children and is funded entirely by donations and the sale of donated used instruments that were refurbished in our workshop.

We have a range of instruments available for individual classes to include acoustic guitars, electric guitars, mandolins, ukeleles and

mountain dulcimers. Each style of instrument has its own skill-level and we can suggest the appropriate instrument for the veterans abilities.

To our knowledge our workshop is unique among veteran programs and offers a tangible reward while focusing on the veteran's abilities and pace of construction.

The instructor himself is a combat veteran, providing a closer relationship and bond between the student and teacher in many instances.

What may seem impossible to the entering student becomes a source of self confidence when the instrument is completed.

[Mission Roll Call White Star Families](#)

**ONE MISSION.  
ONE VOICE.**

missionrollcall.org

**White Star Families**

A White Star Family is one who lost a close relative that served in the military to suicide. Whether they were active duty, reserve, or retired from the military, the single purpose of the White Star program is to honor those fallen service members and provide care and support to the families.

At Mission Roll Call, our main priority is to end the epidemic of suicide among veterans. We've seen time and time again, service takes its toll, and it's not always evenly dispersed among its constituents. We've also seen that the Department of Veterans Affairs is either incapable of properly caring for its members or is undisturbed by the weight of this epidemic. That's why we're leveraging the power and resources of a grassroots movement, including the deafening voice of the American people, to stand up and proactively speak out against veteran suicide. Others among us have, are, and will do the same until we see the system currently in place changed for the better. Our veterans deserve more.

If you or your family members have been affected by veteran suicide, please reach out directly, as we'd like to help you tell your story.

## Do You Like Animals?

### The Horse Feathers Veterans Program

A **FREE** program for veterans at **Ray of Light Farm**, a horse, donkey, and animal rescue facility located at **232 Town Street in East Haddam, CT**. The program involves pairing veterans and first responders with horses and other animals to promote wellness for all, including those who may be affected by physical trauma or post traumatic stress.

**Horse Feathers** offers a variety of activities, including:

- Grooming, walking, horse turnout and basic animal care activities
- Driving horses/mules in carts
- Cultivating our Veterans Garden
- Helping with maintaining our facilities
- Participating in get-togethers such as picnics, holiday parties, etc.
- Other volunteer opportunities at the farm

Phone: **860-873-1895**  
[HorseFeathers@rayoflightfarm.org](mailto:HorseFeathers@rayoflightfarm.org)

Our Horse Feathers Veterans Program has begun again for 2022. We meet every Wednesday from 10:00 a.m. to 1:00 p.m. All veterans and first responders are welcome. Call our coordinator, Jackie, at 860-550-1955 for more info.

Horse Feathers Veterans Program at Ray of Light Farm in East Haddam, CT is an equine learning and wellness program helping veterans or first responders with post traumatic stress.

Horse Feathers pledges to:

- promote emotional well-being for veterans and first responders through a connection with rescue horses
- inspire self-confidence through learning about horse related care and activities
- emphasize individual goals such as harnessing expertise, cart or wagon driving, barn management, grooming
- provide the opportunity to continue in the program as a volunteer for future clients

Horse Feathers is our largest active volunteer and participant group at the farm. Begun in 2015, Horse Feathers is an animal assisted wellness program that meets once a week to teach driving and horsemanship skills. The program also includes small animal assisted learning and has an active gardening group as well.

Our veteran volunteers have become active in many areas of the farm, especially bonding and working with our older sanctuary animals. They also help out with other areas of therapeutic horsemanship, not to mention the wonderful help our Veterans give us during our annual fundraisers.

The Horse Feathers group is entirely funded out of contributions. No charge is assessed to any member.
